# Limited 5 Year Warranty

For Residential Products:

Classic Series Basement Doors, Ultra Series Basement Doors, ScapeWEL Window Wells, StakWEL Window Wells

Every BILCO product is designed to operate properly and to provide trouble-free service. Should a part fail to function, due to defects in material or workmanship during normal use, a new part will be furnished by The BILCO Company. This warranty extends for a period of 5 Years\* from the date of manufacture.

## \*Product Finish Warranty

Classic Series Basement Doors - Powder Coat Paint Finish:

The factory applied powder coat paint finish on BILCO Classic Series Basement Doors carries a one-year warranty against flaking, peeling, or blistering under normal conditions. This warranty excludes damage caused during the product installation process or resulting from falling objects, scratching, abrading, misuse or abuse of the product in any way, and damage created by salt spray, including exposure to coastal conditions\*\* (within a 5-mile proximity).

Classic Series Basement Doors - Primer Finish

Doors must be painted within forty-five (45) days of installation to maintain the limited five-year warranty. BILCO recommends using oil based exterior enamel. For best results, carefully follow directions on the paint manufacturer's label. This warranty excludes damage created by salt spray, including exposure to coastal conditions\*\* (within a 5-mile proximity).

\*\*For homes located in coastal areas, BILCO recommends the Ultra Series Basement Door model. This model is constructed of corrosion resistant high-density polyethylene.

## Filing a Warranty Claim

Please send product serial number, proof of purchase and installation date, and photos showing your warranty claim issue to BILCO's customer service department. No claim will be processed until requested photos are received.

BILCO will acknowledge receipt of your claim (generally within seven business days), investigate your claim and take appropriate action (generally with 30 days after notification). If the product does not have a defect covered by the warranty, BILCO may charge an inspection fee for onsite inspection that you request. If repair is not practicable and replacement is not reasonably available, BILCO in its sole discretion may choose to, a) refund the purchase price of the affected unit, or, b) provide a replacement product at a prorated cost based on the table below. In no event shall BILCO's liability hereunder exceed the purchase price of the affected product(s).

## Warranty Proration Table

1 Year or less	100%
2-3 Years	80%
3-4 Years	60%
4-5 Years	50%

## Warranty Conditions:

- Replaced or repaired products are covered for the balance of the original warranty period only. BILCO reserves the right to refund the purchase price in lieu of repair or replacement as stated herein.
- Individuals must use standard reasonable care in backfilling window wells and must adhere to BILCO backfill instructions or this limited warranty may become void.
- Determining the suitability and compliance with local or other applicable building codes or standards, of all building components, including: the use of any BILCO product, and the design and installation of any flashing or sealing system, is the responsibility of the buyer, user, architect, contractor, installer, and/or other construction professional. BILCO will not be liable for any problem or damage relating to inappropriate or faulty building design or construction, maintenance, installation, or selection of products.
- BILCO reserves the right to discontinue or make changes to any of its products. In the event the products covered by these warranties are not available, The BILCO Company reserves the right to substitute a product or component that, in BILCO's sole discretion, is equal in quality or price.

## Warranty Exclusions:
